

PHOTOGRAPHY & ART EXHIBITION

Celebrating African Culture & Diversity in Ireland
Inauguration of the International Institute of African Studies

Delve into a showcase of photographs, artwork, and artefacts, each offering a glimpse into the myriad facets of African culture thriving within the Irish community.

Interact with exhibitors who will share their insights and stories behind each creation and gain a deeper understanding of the essence of African culture.

Engage with experts through a series of workshops and grasp the significance of rituals and customs that shape contemporary African communities in Ireland.
